Hannover, 24.07.2014

Dear Sirs,

The costs for the hospital stay for app. 14 days and medical treatment including surgery will amount to approximately € 50.000.

| | | | | | |
|---|----------|---|------------|-----|--------------------|
| Basic service | 14 days | x | 211,12 € | = | 2.955,68 € |
| Departmental rate | 11 days | x | 710,41 € | = | 7.814,51 € |
| Intensive care | 3 nights | x | 2.096,90 € | = | 6.290,70 € |
| Single room | 14 days | x | 154,71 € | = | 2.165,94 € |
| Anesthesia | | | | ca. | 2.000,00 € |
| possible radiologic diagnostics (X-ray, CT, MRI, MRA, functional MRI) | | | | ca. | 5.500,00 € |
| Third parties (laboratories [blood tests, hormone testings, histology, microbiologic testings]; neurophysiology [EEG, EMG, intraoperativ monitoring etc.]; medical consultants [internist, ENT, ophthalmologist etc.] | | | | ca. | 6.000,00 € |
| Physiotherapy | | | | ca. | 1.000,00 € |
| Surgical procedures and medical treatment fee | | | | ca. | 16.000,00 € |
| TOTAL | | | | | 49.726,83 € |

Please note that this calculation is based on the assumption of normal medical procedures. However, the actual medical procedures will depend on the patient's condition during the hospital stay. In case of more extensive medical treatment and/or complications, the amount shown above will increase according to the actual duration of the hospital stay.

Please note that costs for an accompanying person are not included, as well as costs and services of a private patient coordinator. All patient support service matters have to be arranged between the patient and the private patient coordinator themselves.

Kind regards,
Janna Göhns
